

Dear Friends,

This past year has seen our Quaker Meeting rise to the occasion so many times. We rose with donations of clothing, furniture, and more for community members in need. We rose with monetary contributions to assist our community with education, medical services, and food for those experiencing hunger and homelessness.

The Meeting has also had several costly repairs to our building and residence, air conditioning and plumbing totaling more than \$19,900. We withdrew this money from our Friends Fiduciary account, leaving us with a balance of \$15,000. It is wonderful to have this reserve, but easy to see how quickly it can evaporate.

As Quakers, it is in our nature to give. We cannot look around and not see all the possibilities. As your treasurer, I want to thank everyone who contributes regularly to the Meeting and helps us continue to be a voice of reason, and a voice of help. I am thankful that we are able to provide these needed services.

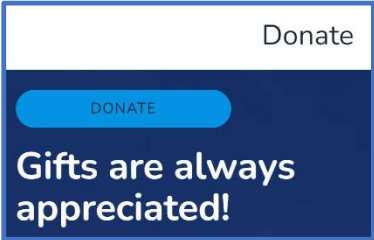

I am writing this to ask everyone who can contribute to please do so. Anything you can give will help us continue to be a source of light to our families, communities, and leaders. I've listed a few ways you can contribute below.

In Peace,

Jane
